P = Accredited for Pharmacists

T = Accredited for Technicians

The target audience is Pharmacists and Pharmacy Technicians.

All educational activities are knowledge based activities

Educational Objectives

8:00 AM

New Drug Approvals of 2012

Shannon Inglet, PharmD

Pharmacy Practice Resident, Intermountain Medical Center

ACPE #: 0167-0000-12-033-L01-P and 0167-0000-12-033-L01-T

Objectives for pharmacists:

1. Describe new drugs approved by FDA in 2012, their pharmacology, and clinical uses
2. Compare and contrast the properties of new agents with those in the same drug class
3. Identify the potential role in therapy for newly-approved medications based on their unique side-effect profiles and interactions
4. Given a patient case scenario, design a treatment plan incorporating new drug therapies

Objectives for technicians:

1. Describe new drugs approved by FDA in 2012, their clinical uses, and dosage forms
 2. Identify unique characteristics of new medications that distinguish them from similar drugs
 3. Distinguish which patients may or may not use newly-approved medications based on the contraindications and safety data of the drug
-

9:00 AM

Principles of Effective Precepting

Nannette Berensen, PharmD, MBA, BCPS

Assistant Administrator, Primary Children's Medical Center

ACPE #: 0167-0000-12-034-L04-P and 0167-0000-12-034-L04-T

Objectives (pharmacists and technicians)

1. Describe the stages of learning.
 2. Explain the rationale associated with the precepting model.
 3. Define constructive feedback.
 4. List the steps for giving constructive feedback.
 5. Explain the concept of an objective structured clinical examination (OSCE).
-

10:30 AM

Managing Acute Pain in Hospitalized Patients on Opiate Agonist Treatment

Chris Stock, PharmD, BCPP

Pharmacy/Mental Health Research Program Manager, George E. Wahlen VA Medical Center

ACPE #: 0167-0000-12-035-L01-P and 0167-0000-12-035-L01-T

Objectives for pharmacists:

1. Name the legal regulations which affect the use of buprenorphine/naloxone and methadone in the hospital setting.
2. Describe at least 2 reasons why oral buprenorphine/naloxone and oral methadone as used to treat opioid dependence may not control acute pain in hospital patients.
3. Discuss when non-opioid medications might be appropriate for treating acute pain in patients on opioid agonist treatment.
4. Recommend a plan for using opioids to treat acute pain in patients on opioid agonist treatment.
5. List some common drug-drug interactions in hospital patients on opioid agonist treatment and describe appropriate management strategies.

Objectives for technicians:

1. State who may access the Utah Controlled Substance Database and how it is accessed.
 2. Name the legal regulations which affect the use of buprenorphine/naloxone and methadone in the hospital setting.
 3. Describe why naloxone (Narcan®) is in Suboxone tablets/film.
 4. State what dosage form of methadone is used in opiate agonist treatment programs.
-

11:30 AM

Advocacy in Action: Defining the Role of the Pharmacist and Pharmacy Technician in Shaping the Future of Pharmacy

Jason Braithwaite, PharmD

Health-Systems Pharmacy Administrative Resident, PGY2, Intermountain Healthcare

Melissa Skelton Duke, PharmD, MS, BCPS

Clinical Pharmacy Services Manager, Intermountain Healthcare

ACPE #: 0167-0000-12-032-L03-P and 0167-0000-12-032-L03-T

Objectives (pharmacists and technicians)

1. Define the legislative process from the generation of an idea to the enactment of law.
 2. Construct the components of a comprehensive advocacy plan.
 3. Given an advocacy case study, formulate and present a comprehensive advocacy plan to a panel of "policy makers".
 4. Describe the current bills and regulatory initiatives that affect the practice of pharmacy, and what pharmacists and pharmacy technicians can do to contribute to advocacy efforts in these areas.
-

Conference Details

Registration: Registration fees are discounted before February 15, 2013. To register, complete the registration form and pay by credit card (online only) or send a check to: USHP, PO Box 58356, Salt Lake City, Utah 84158. Space is Limited! Register Early. Registration fee includes admittance to all programming, exhibits, and group meal functions.

Registrations received after the February 15th deadline or on site are subject to a \$15 additional processing fee.

CE Credit: To obtain up to 4 credits of continuing pharmacy education credit (.40 CEUs), the participant must attend the conference, check in at the registration desk, complete and turn in the attendance and evaluation forms, and pass each assessment test with a 75% or higher score. Attendance forms not turned in on site will not be accepted for credit. A Statement of Credit will be available to the participants within 60 days of the program.

Cancellation Policy: To receive partial or full refund, registrants must contact USHP in writing prior to February 15, 2013. Requests made after February 15th will not be considered.

Exhibits: The exhibit area offers an opportunity to learn about the latest from the pharmaceutical industry. Representatives from pharmaceutical manufacturers, wholesalers and others may be on hand to demonstrate new products and services.

Special Assistance: It is USHP's policy to comply with the American's with Disabilities Act. If you have any special needs or services while attending, please contact USHP no later than February 15, 2013 at ushp@ushp.org.

Parking: Parking is complimentary and is located adjacent to the building. Directions to the facility will be available on the USHP website (www.ushp.org) prior to the conference.

Accommodations: If you are in need of overnight accommodations, please USHP at ushp@ushp.org.

No grant funding has been sought for this educational program

The Utah Society of Health-System Pharmacists is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.
