12:30 PM -	USHP Town Hall Meeting (no CE offered)

P = Accredited for Pharmacists

T= Accredited for Technicians

The target audience is Pharmacists and Pharmacy Technicians.

All educational activities are knowledge based activities

**Immediately following the CE, members of the USHP Board of Directors will host a town-hall meeting.
The purpose of this meeting is to**

- 1. Provide information about Pharmacy Day on Capitol Hill- what it’s all about and why it’s important to attend**
- 2. Open the floor to hear your ideas, questions, concerns, or thoughts about USHP and what we can do for you**

There will not be CE offered, but the meeting will serve as an open forum about our organization, current issues affecting the profession, and any topics important to you! Come ready to meet with your colleagues and discuss important issues facing our profession!

Educational Objectives

8:00 AM

New Drug Update 2013

Shadi Ghaibi, PharmD, BCPS

Clinical Pharmacist, Drug Information, Intermountain Medical Center

ACPE #: 0167-0000-14-034-L01-P and 0167-0000-14-034-L01-T

Objectives for pharmacists:

1. Identify new drugs approved by the Food and Drug Administration (FDA) in 2013 that are relevant to your practice
2. Describe the basic pharmacology of new drugs approved by the FDA in 2013
3. Define the role in therapy for select new agents
4. List clinically significant adverse effects and drug interactions of select new agents

Objectives for technicians:

1. Identify new drugs approved by the Food and Drug Administration (FDA) in 2013 that are relevant to your practice
 2. Differentiate a New Drug Application (NDA) from an Abbreviated New Drug Application (ANDA)
 3. List contraindications and clinically significant adverse effects of select new agents
-

9:00 AM

Urgent and Emergent Reversal of Oral Anticoagulants

Matthew Pepper, PharmD, BCPS

Clinical Pharmacist, Utah Valley Regional Medical Center

ACPE #: 0167-0000-14-035-L01-P and 0167-0000-14-035-L01-T

Objectives for pharmacists:

1. Evaluate safety and efficacy of oral anticoagulants
2. Describe laboratory assessment and patient evaluation while actively bleeding
3. Identify reversal strategies for oral anticoagulants
4. Define the pharmacist's role in management of bleeding in patients on oral anticoagulants

Objectives for technicians:

1. List 3 oral anticoagulants
 2. Identify 2 laboratory tests used to monitor oral anticoagulants
 3. Identify agents used to reverse oral anticoagulants
-

10:30 AM

From “Good Job” to Great Feedback: Incorporating Effective Feedback into Daily Precepting

Melinda Robbins, PharmD, BCPS

Clinical Pharmacist, Residency Site Coordinator, Utah Valley Regional Medical Center

ACPE #: 0167-0000-14-036-L04-P and 0167-0000-14-036-L04-T

Objectives for pharmacists:

1. Compare and contrast evaluation and feedback
2. Identify common barriers to providing feedback
3. List three keys to a successful feedback encounter
4. Demonstrate understanding of concepts learned by providing feedback for a given teaching scenario
5. Formulate a strategy for implementing feedback into your practice site

Objectives for technicians:

1. Define Feedback
 2. Describe the difference between feedback and evaluation
 3. Identify ways you can incorporate feedback into training technicians and interns.
-

11:30 AM

Update in Asthma and COPD Treatments

Zubin Bhakta, PharmD

Clinical Pulmonary Pharmacist, University of Utah Hospitals and Clinics

Lynda Roe, CPhT

Specialty Pharmacy Technician, University of Utah Hospitals and Clinics

ACPE #: 0167-0000-14-037-L01-P and 0167-0000-14-037-L01-T

Objectives for pharmacists:

1. Identify medications available for treatment of Asthma and COPD
2. Demonstrate the use of various delivery devices used in treatment of Asthma and COPD
3. Compare and contrast the use of various agents for the treatment of Asthma and COPD
4. Produce resources to aid patients in accessing medications for Asthma and COPD

Objectives for technicians:

1. Identify medications available for treatment of Asthma and COPD
 2. Describe the various delivery devices used in treatment of Asthma and COPD
 3. State the various agents used for the treatment of Asthma and COPD
-

Conference Details

Registration: Registration fees are discounted before January 24, 2014. To register, complete the registration form and pay by credit card (online only) or send a check to: USHP, PO Box 58356, Salt Lake City, Utah 84158. Space is Limited! Register Early. Registration fee includes admittance to all programming, exhibits, and group meal functions.

Registrations received after the January 24th deadline or on site are subject to a \$15 additional processing fee.

CE Credit: To obtain up to 4 credits of continuing pharmacy education credit (.40 CEUs), the participant must attend the conference, check in at the registration desk, complete and turn in the attendance and evaluation forms, and pass each assessment test with a 75% or higher score. Attendance forms not turned in on site will not be accepted for credit. A Statement of Credit will be available to the participants within 60 days of the program.

Cancellation Policy: To receive partial or full refund, registrants must contact USHP in writing prior to January 24, 2014. Requests made after January 24th will not be considered.

Exhibits: The exhibit area offers an opportunity to learn about the latest from the pharmaceutical industry. Representatives from pharmaceutical manufacturers, wholesalers and others may be on hand to demonstrate new products and services.

Special Assistance: It is USHP's policy to comply with the American's with Disabilities Act. If you have any special needs or services while attending, please contact USHP no later than January 24, 2014 at ushp@ushp.org.

Parking: Parking is complimentary and is located adjacent to the building. Directions to the facility will be available on the USHP website (www.ushp.org) prior to the conference.

Accommodations: If you are in need of overnight accommodations, please USHP at ushp@ushp.org.

No grant funding has been sought for this educational program

The Utah Society of Health-System Pharmacists is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.
