Utah State Legislature
Pharmacy Day at the Capitol
Innovation in Pharmacy: Rethinking the Pharmacist’s Role in Comprehensive Care.

When    February 26, 2020, 9 a.m. to 3 p.m.
Where    Utah State Capitol Rotunda
Who      Legislators, legislative staff, lobbyists, media contacts, and the public
What     • Spend some time learning about how pharmacists are improving the health of Utahns.
          • Check your blood glucose, blood pressure, cholesterol levels, and lung function - then meet with a pharmacist to learn what your results mean.
          • Learn how pharmacists are improving immunization rates throughout Utah.
          • Get up-to-date on many of the hot topics in health care and pharmacy, including:
            • The pharmacist role in the Patient-Centered Medical Home.
            • How we advocate for patients in rural areas.
            • The pharmacist role in safe disposal of drugs
            • The pharmacists role in the future of medicine
Why      • Pharmacists are highly-trained, accessible health care professionals, and it’s important to know what they can do for you.
          • Pharmacists contribute to the public health and welfare of Utahns.
