

Bill #	Bill Title	Bill Summary	Comments	Sponsor	USHP Stance (Support, Oppose, Neutral)	Addition al Information: USHP Advocacy Committee Reviewer	Current Status at Legislative Session
HB0031	Utah Healthcare Workforce Financial Assistance Program Reauthorization	This bill reauthorizes the Utah Health Care Workforce Financial Assistance Program and repeals certain outdated provisions. Highlighted Provisions: This bill amends the membership of the Utah Health Care Workforce Financial Assistance Program Advisory Committee; amends the repeal date for the Utah Health Care Workforce Financial Assistance program; and repeals provisions related to certain contracts and applications that no longer exist http://le.utah.gov/~2017/bills/static/HB0031.html	Minor wording revisions, including extension of program end date from 2017 to 2027. This programs has been in place in Utah since 1990 and provides loan payoff assistance for health care providers working with underserved populations. Unclear from reading whether pharmacists are included as eligible health care providers for this assistance; however, the sponsor specifically mentioned pharmacists several times in his presentation to the house on 1/23/17. Senator Vickers also specifically mentioned pharmacists in the list of providers offered assistance in his presentations to the senate on 2/1/17 and 2/2/17. Passed through both house and senate without any votes against	Redd, E.	Support	Katie Traylor*	Passed both House and Senate– Office of Enrolling
HB0050	Opioid prescribing regulations	This bill amends the division of occupational and professional licensing act related to the prescribing of certain controlled substances. Highlighted Provisions: This bill limits the number of days for which an opiate may be prescribed for certain individuals; removes an outdated provision from the Utah Controlled Substances Act related to opiate prescribing; and amends provisions of the Controlled Substance Database Act related to provider use of the database	Updates: <ul style="list-style-type: none"> • Changed wording to reflect that 7 days rx limit is for acute conditions only, not applicable s/p surgery (up to 30 days of C2/C3) or for chronic/complex condition • Pharmacists do not have to fill rx even if it's compliant with the proposed legislation-verify that the rx is in accordance to the bill 	Ward, R.	Neutral/watch – Recommend clearer definitions UPHA supports	Katie Traylor* Natalie Valentino* Sadie* Scott Silverstein*	Passed House, scheduled on Senate 2 nd reading calendar

		http://le.utah.gov/~2017/bills/static/HB0050.html	<ul style="list-style-type: none"> • Prescriber doesn't have to check DOPL if it's for a postsurgical rx and <30 days supply <p>Recommendation: support, especially given UPHA supports</p>				
HB0057	Reproductive Health and Medicaid Amendments	<p>This bill enacts provisions related to reproductive health services and Medicaid Highlighted Provisions: This bill defines terms; and directs the Division of Health Care Financing to seek a waiver for Medicaid coverage for limited family planning services and reproductive health</p> <p>http://le.utah.gov/~2017/bills/static/HB0057.html</p>		King, Brian S.	Support	Katie Traylor John Magness*	Held in House Committee due to large fiscal note (over \$12.5 million) (dead)
HB0061	Pharmacy Service for Discharged Hospital Patients	<p>This bill allows a hospital pharmacy to dispense a limited supply of a prescription drug to a discharged patient under certain circumstances. Highlighted Provisions: This bill allows a hospital pharmacy to dispense a limited supply of a prescription drug to a discharged patient, under certain circumstances, when the patient's regular retail pharmacy is not available; and requires the Division of Occupational and Professional Licensing to make rules</p> <p>http://le.utah.gov/~2017/bills/static/HB0061.html</p>		Redd, E.	Support UPHA supports	Katie Traylor Scott Silverstein*	Passed both House and Senate—Office of Enrolling
HB0066	Opiate Overdose Response Act	<p>This bill clarifies civil liability in the Opiate Overdose Response Act. 		<p>in the information the department provides before an abortion, information regarding perinatal hospice; and makes technical changes.</p> <p>http://le.utah.gov/~2017/bills/static/HB0107.html</p>					
HB0110	Controlled Substance Amendments	<p>This bill modifies the Utah Controlled Substances Act regarding Schedule 1 Highlighted Provisions: This bill adds the substance 3,4-dichloro-N[2-(dimethylamino)cyclohexyl]-N-methylbenzamide that is also known as U-47700 or “pink” to the list of controlled substances under Schedule I.</p> <p>http://le.utah.gov/~2017/bills/static/HB0110.html</p>	<p>This bill solely adds 3,4-dichloro-N-[2-(dimethylamino)cyclohexyl]-N-methylbenzamide (aka, U-47700 and Pink) as a C-1 substance.</p> <p>Recommend supporting this bill. DEA supports adding this to C-1 schedule as of 9/7/16. We have seen deaths in Utah from this substance.</p> <p>Review on 2/9/2017: Adds some additional C-1 designations for fentanyl derivatives and synthetic cannabinoids. This info is supported by the DEA. Can read about them here and why DEA wants to schedule them:</p> <p>Fentanyl Derivatives</p> <p>Synthetic Cannabinoids</p> <p>Recommend continued support</p> <p>Update 2/27: Amendment in committee removed Kratom from list of C-1 designations (DEA withdrew this from list of potential substances to ban</p>	Ray, P	Support UPHA supports	Andrew Dwenger*	Passed both House and Senate – Office of Enrolling

			after millions of people petitioned to keep it legal)				
HB0113	Nursing Care Facility Amendments	This bill amends provisions in the Utah Health Code related to nursing care facilities. Highlighted Provisions: This bill allows the Department of Health to consider the quality of nursing care facilities in a county when determining whether to certify additional Medicaid beds in the county; makes technical changes; changes the Nursing Care Facilities Account to an expendable special revenue fund; and removes the sunset review for the certification of Medicaid beds in nursing care facilities. http://le.utah.gov/~2017/bills/static/HB0113.html		Gibson, F.	Neutral	Alan Horrocks*	Passed both House and Senate
HB0122	Medicaid Waiver for Postpartum Mental Health	This bill amends the Medical Assistance Act. Highlighted Provisions: This bill defines terms; and requires the Department of Health to ask for a federal waiver that will allow the state's Medicaid program to provide mental health benefits and services to certain postpartum women. http://le.utah.gov/~2017/bills/static/HB0122.html		Redd, E.	Neutral	Alan Horrocks*	Held in House Committee due to large fiscal note (loss of over \$4.1 million in 2 years) (dead)
HB0127	Health Insurance Right to Shop Amendments	This bill requires a health insurer to develop a program to reward enrollees for selecting high quality and low cost health care providers. Highlighted Provisions: This bill: defines terms; amends the inducements provisions of the	This bill requires health insurers to develop "Savings Reward Programs" that reward enrollees who receive services from providers whose costs for a procedure are lower than the average cost for the procedure.	Thurston, N.	Neutral	Andrew Dwenger*	Passed House and had favorable recommendation from Senate

		<p>Insurance Code; requires a health insurer to develop and implement a savings reward program for enrollees; requires an insurer to obtain approval of the savings reward program from the insurance commissioner; and gives the commissioner authority to make administrative rules</p> <p>http://le.utah.gov/~2017/bills/static/HB0127.html</p>	<p>Examples include premium discounts, rebates, reduced out-of-pocket costs. Savings Reward Programs will be approved by the insurance commissioner, and this bill would allow for the commissioner to make administrative rules to establish criteria for a savings reward program.</p> <p>Recommend staying neutral as it is unclear how this would affect pharmacy specifically.</p> <p>Review on 2/9/2017: No major changes identified.</p>				<p>Committee, however, ran out of time and was never heard on the floor</p>
HB0128	Health Care Debt Collection Amendments	<p>This bill modifies and enacts provisions related to health care claims practices. Highlighted Provisions: This bill: defines terms; modifies the circumstances under which a health care provider may make a report to a credit bureau, use the services of a collection agency, or use a non-routine billing or notification method against an insured; provides a private right of action against a health care provider who fails to comply with the provisions of this bill; addresses administrative penalties for a health care provider who fails to comply with the provisions of this bill; and makes technical and conforming changes.</p> <p>http://le.utah.gov/~2017/bills/static/HB0128.html</p>	<p>Update 2/27: removed the private right of action against health care providers</p>	Webb, R.C.	Neutral	Alan Horrocks *	Passed both House and Senate

HB01 30	Cannabinoid Medicine Research	<p>This bill enacts provisions related to research of cannabis and cannabinoid medicine. Highlighted Provisions: This bill allows a person to possess cannabis, cannabinoid medicine, and expanded cannabinoid medicine and to distribute the cannabis, cannabinoid medicine, or expanded cannabinoid medicine to a patient pursuant to an institutional review board-approved study; and allows a person conducting an institutional review board-approved study to import and distribute cannabis, cannabinoid medicine, and expanded cannabinoid medicine under certain circumstances</p> <p>http://le.utah.gov/~2017/bills/static/HB0130.html</p>	<p>This bill allows a researcher to process, possess, and administer cannabinoid medicine or expanded cannabinoid medicine following approval from an IRB committee. They may import these items in accordance with federal law. Cannabinoid medicine means a product intended for human ingestion that contains an extract or concentrate that is obtained from cannabis, is prepared in a medicinal dosage form, and contains at least 10 units of cannabidiol for every one unit of tetrahydrocannabinol. Cannabis means any part of the plant cannabis sativa.</p> <p>Review on 2/9/2017: No major changes identified. Recommend continued support</p>	Daw, B	Support UPHA Supports	Angela Green* Andrew Dwenger*	Passed both House and Senate
HB01 42	Administration of Anesthesia Amendments	<p>This bill amends professional licensing acts in the Division of Occupational and Professional Licensing Act to require increased monitoring, in certain circumstances, of patients who are sedated. Highlighted Provisions: This bill: requires the Division of Occupational and Professional Licensing to: create a database of adverse events from the administration of sedation or general anesthesia in outpatient settings; and publish a report regarding the number of adverse events by types of provider and facility; defines</p>		Kennedy, M.	Neutral/watch	Angela Green*	Passed both House and Senate

		<p>terms; prohibits certain health care providers from administering sedation or general anesthesia and performing therapeutic or diagnostic procedures on a patient without another qualified health care provider present to monitor the patient's anesthesia care; prohibits a nurse, who is not a certified registered nurse anesthetist, from administering deep sedation or general anesthesia to a patient unless: the nurse has a medical order for the deep sedation or general anesthesia; and the patient is intubated and in an intensive care unit of a general acute hospital; And requires a professional who administers sedation to have access to a crash cart during a sedation procedure.</p> <p>http://le.utah.gov/~2017/bills/static/HB0142.html</p>					
HB0146	Partial Filling of a Schedule II Controlled Substance Prescription	<p>This bill establishes limits on federally authorized partial filling of Schedule II controlled substance prescriptions. Highlighted Provisions: This bill specifies the conditions under which certain Schedule II controlled substance prescriptions may be partially filled; and requires rulemaking.</p> <p>http://le.utah.gov/~2017/bills/static/HB0146.html</p>		Barlow, S.	Neutral/watch UPHA watching	John Magness*	Passed both House and Senate – Office of Enrolling
HB0175	Opioid Abuse Prevention and Treatment	<p>This bill requires controlled substance prescribers to receive training in a nationally recognized opioid abuse screening method and</p>	<p>HB 175: support - improves efforts to limit prescribing of unnecessary controlled substances, including opioids - supported and written by healthcare providers and those heavily involved in the field of opioid</p>		Stance: __ UPHA watching	Gabe Fontaine*	Passed both House and Senate – Office of Enrolling

		<p>requires reimbursement for the screening services. This bill requires controlled substance prescribers to receive training in a nationally recognized opioid abuse screening method; permits controlled substance prescribers to fulfill continuing education requirements through training in the screening method; permits controlled substance prescribers who receive a DATA 2000 waiver to use the waiver to fulfill certain continuing education requirements; requires Medicaid reimbursement to health care providers for screening services; requires the Public Employees' Benefit and Insurance Program to reimburse health care providers for screening services; and makes technical changes</p> <p>http://le.utah.gov/~2017/bills/static/HB0175.html</p>	<p>mis-prescribing, opioid abuse. I would say however, we need to see what the Utah Medical Association stance is. For now, I support.</p> <p>Update 2/27: UMA does support this bill</p>				
HB0154	TeleHEALTH Amendments	<p>This bill amends the Medical Assistance Act, the Public Employees' Benefit and Insurance Program Act, and the Insurance Code to provide coverage, and coverage transparency, for certain telehealth services. Highlighted Provisions: This bill defines terms; amends the Medical Assistance Act regarding reimbursement for telemedicine services; amends the Insurance Code to require insurer transparency regarding telehealth reimbursement; amends the Public Employees' Benefit and Insurance</p>		Ivory, K	Neutral/watch	John Magness*	Passed both House and Senate—Office of Enrolling

		<p>Program Act (PEHP) regarding reimbursement for telemedicine services; requires the Department of Health and PEHP to report to a legislative interim committee and a task force regarding telehealth services; requires a legislative study; describes responsibilities of a provider offering telehealth services; and amends the Electronic Prescribing Act to restrict certain prescriptions in conjunction with telehealth services</p> <p>http://le.utah.gov/~2017/bills/static/HB0154.html</p>					
HB0189	Pharmacy Compounding Amendments	<p>This bill amends certain state prohibitions against the compounding of drugs in the Pharmacy Practice Act. This bill amends the definition of compounding; and the definition of unprofessional conduct related to compounding of certain drugs</p> <p>http://le.utah.gov/~2017/bills/static/HB0189.html</p>	<p>HB 189: opposed - allows pharmacies to compound readily available, currently manufactured drugs, which is against the federal law and statutes. UPHA is also opposed.</p>	Ward, R.	<p>Stance: _____</p> <p>UPHA opposed</p>	Gabe Fontaine*	Passed House (46-21-8), killed by Senate Rules Committee
HB209	Administration of Medication to Students Amendment	<p>This bill makes an amendment regarding the administration of medication to students; allows for the administration of an opiate antagonist to a student in accordance with the Opiate Overdose Response Act; and provides civil and criminal immunity for school personnel who administer an opiate antagonist to a student</p> <p>http://le.utah.gov/~2017/bills/static/HB0209.html</p>		McKell, M.	<p>Stance: __ _</p> <p>UPHA watching</p>	Aubree Westover*	Passed both House and Senate—Office of Enrolling

HB266	Pharmaceutical Step Therapy	This bill amends health insurance provisions in the Insurance code; creates definitions; prohibits the use of step therapy for pharmaceuticals unless certain conditions are met; requires a health insurer to authorize bypass of a step drug when certain conditions are met; specifies conditions under which a request for bypass of a step drug is considered authorized; and addresses adverse benefit determinations http://le.utah.gov/~2017/bills/static/HB0266.html		Hutchings, Eric	Stance: __ _	Aubree Westover* Gabe Fontaine*	Held in Health and Human Services Committee due to large fiscal note (over \$1 million) (dead)
HB310	Utah statewide Immunization Information System Program	This bill creates the Utah Statewide Immunization Information System program; requires the department to make rules regarding the program; and requires health care providers to exchange immunization information using the program's system http://le.utah.gov/~2017/bills/static/HB0310.html	HB 310: support - or support/watch - we'll have to review exactly how such an immunization monitoring program would be carried out. I'm thinking something similar to DOPL controlled substance database. The message and point behind the bill is solid, but will need to keep an eye on how it's written to be created, managed, monitored, and regulated.	Thurston, N.	Stance: __ __	Gabe Fontaine*	Passed House unanimously, but never heard on Senate Floor
SB0028	Repeal of Health and Human Services Reports	This bill repeals and amends Utah Code provisions that require reports to the Health and Human Services Interim Committee. Highlighted Provisions: This bill repeals and amends provisions that require reports to the Health and Human Services Interim Committee http://le.utah.gov/~2017/bills/static/SB0028.html		Vickers, E.	Neutral	Alan Horrocks*	Passed both House and Senate—Office of Enrolling
SB0046	Medicaid Expansion Amendments	This bill amends the Utah Health Code related to the state Medicaid program. Highlighted Provisions: This bill requires the Department of Health to amend the state Medicaid		Davis, G.	Neutral UPHA watching	John Magness*	Still in Senate rules committee since beginning

		<p>plan to expand Medicaid eligibility to the optional populations under the Patient Protection and Affordable Care Act; repeals a provision requiring the governor to comply with certain requirements before expanding Medicaid; and provides that Medicaid expansion is repealed if federal funding decreases from the Patient Protection and Affordable Care Act funding rates</p> <p>http://le.utah.gov/~2017/bills/static/SB0046.html</p>					of session (dead)
SB0048	Nurse Licensure Compact	<p>This bill enacts a Nurse Licensure Compact that will replace the state's current Nurse Licensure Compact if certain conditions are met.</p> <p>Highlighted Provisions: This bill establishes findings for the Nurse Licensure Compact; defines terms; creates general provisions and jurisdiction for the compact; establishes a licensure process for party states; invests authority in party state licensing boards; coordinates licensure information systems and exchange of information; establishes the Interstate Commission of Nurse Licensure Compact Administrators; provides rulemaking to the commission; provides oversight and dispute resolution; and establishes an effective date for the compact</p> <p>http://le.utah.gov/~2017/bills/static/SB0048.html</p>	<p>This bill would replace the current nurse licensure compact, which is a mutual recognition of a nursing license between member states.</p> <p>Recommend supporting this bill as having a well-established Compact for nursing may provide future evidence for benefit of Compacts within Pharmacy.</p> <p>Utah Nurses Association wrote a letter of support for it: http://www.utnurse.org/?page=currentissues</p> <p>Review as of 2/9/2017: Recommend continued support as the Utah Nurses Association strongly supports this bill</p> <p>http://www.utnurse.org/?page=billtracker</p>	Vickers, E.	Support	Andrew Dwenger*	Passed both House and Senate—Office of Enrolling
SB0074	Medical Interpreter	<p>This bill expands the tests and languages that may be accepted by the Division of Occupational and</p>		Escamilla, L.	Support	Angela Green*	Passed both House and Senate—

	Amendments	Professional Licensing for licensing a certified medical language interpreter. Highlighted Provisions: This bill expands the tests and languages that may be accepted by the Division of Occupational and Professional Licensing for licensing a certified medical language interpreter; and makes technical changes http://le.utah.gov/~2017/bills/static/SB0074.html					Office of Enrolling
SB0162	Physician Assistant Amendments	This bill amends the requirements of a delegation of services agreement; removes the requirement that a physician assistant obtain a co-signature from the supervising physician to prescribe certain controlled substances; amends requirements for licensure; and makes technical changes http://le.utah.gov/~2017/bills/static/SB0162.html		Shiozawa, B.	Stance: _____	Aubree Westover *	Passed both House and Senate—Office of Enrolling
SB0211	Cannabinoid Product Act	This bill enacts and amends provisions related to cannabinoid products. Highlighted provisions: This bill authorizes the cultivation, production, possession, use, and sale of cannabis and cannabinoid products under certain circumstances; provides for the creation of an electronic monitoring system for cannabinoid products; directs the Department of Agriculture and Food to issue cannabis producer licenses and enforce cannabis producer operating requirements; grants the Department of Agriculture and Food, the Division of		Vickers, E	Stance:		Passed Senate 2 nd reading unanimously, circled on 3 rd reading calendar to allow for substitutions and changes to be submitted. Never lifted

		<p>Occupational and Professional Licensing, the Department of Financial Institutions, and the Department of Health rulemaking authority; directs the Department of Financial Institutions to issue cannabis payment processor licenses and enforce cannabis payment processor operating requirements; directs the Division of Occupational and Professional Licensing within the Department of Commerce to issue cannabinoid dispensary licenses and enforce cannabinoid dispensary operating requirements; directs the Department of Health to issue cannabinoid cards to individuals under certain circumstances creates an exemption from sales and use tax for sales of cannabinoid products; imposes a special tax on the sale of cannabinoid products; creates the Cannabinoid Product Restricted Account; amends provisions related to driving with a measurable metabolite of cannabinoid medicine; prohibits a court from discriminating against a parent in a child custody case based on the parent's legal use of cannabinoid medicine; and prohibits a peace officer or child welfare worker from removing a child from an individual's home on the basis of the individual's lawful use of cannabinoid medicine.</p> <p>http://le.utah.gov/~2017/bills/static/SB0211.html</p>
